☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.

☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Amend the Claims 1-5, 26, 28 and 30 to claim "an implantable cardiac stimulus electrode"; Restrict the Claims 37-42 on the composition, Cancel the non-elected claims 37-42 to file a divisional application, and to condition the application for allowance. Further, a new search in view of the amendments to the claims indicated the Double Patenting Issues under 35 USC 101 wrt to US Patent No. 6,295,474 and the Attorney has been advised to send in a Terminal Disclaimer for the allowance of the instant case.
